HABC Level 2 Award in Emergency First Aid at Work (QCF)

Introduction

This Qualification Specification document is designed to outline all you need to know to offer this qualification in your Centre. If you have any further questions, please contact your account manager.

Qualification Details

The HABC Level 2 Award in Emergency First Aid at Work has been accredited by the regulators of England, Wales and Northern Ireland and is part of the Qualifications and Credit Framework (QCF).

*The regulators are Ofqual in England, DCELLS in Wales and CCEA in Northern Ireland

It is supported by Skills for Health, the Sector Skills Council for health.

Key facts

• QAN	500/7427/1
• Learning Aim Reference	50074271
• Guided learning hours (GLH)	10
• Credit Value	1
• Assessment Method	Oral examination & practical examination

Qualification Overview

This qualification is aimed at learners already working or preparing to work in industry that is identified within the Company's risk assessment of First Aid as being lower risk.

Learners gaining this qualification will know that First Aid is the responsibility of everyone involved in the working environment. Its topics are regarded by the Health & Safety Executive as being important to maintaining good practice in the safe, prompt and effective treatment of injuries and ill health in the workplace.

Entry Guidance

There are no prerequisites for this qualification. It is advised that learners have a minimum of Level 1 in literacy or numeracy or equivalent.

Cohorts are to be no larger than 12 learners per Nominated Tutor.

This qualification is approved for delivery to the age ranges pre-16, 16-18 and 19+.

Geographical Coverage

The qualification is suitable for learners in England, Wales or Northern Ireland.

Special Needs

HABC have measures in place for learners with special needs. Please see the Reasonable Adjustments Policy, Annex 17 of the HABC Core Manual.

This qualification is made up of one mandatory unit, the details of which are included at

the end of this document.

Qualification Structure

Learners must successfully complete the assessment for this unit to achieve the qualification.

The qualification can be taken as a free standing qualification or as part of a wider programme of training.

The training for this qualification can be split over a maximum of 4 weeks with each session lasting no less than 2 hours.

How the qualification is assessed

This qualification is assessed through practical and oral questioning through the duration the course by the tutor. Learners must practically demonstrate the application of the correct techniques in all the First Aid areas indicated within the learning outcomes of the unit.

Following the assessment, a list of results will be provided to the Centre Contacts stating whether learners have passed or failed. Certificates for successful learners will be dispatched for distribution by the Centre Contacts.

Successful learners will also receive a wallet-sized plastic card detailing their qualification.

This qualification lasts for a period of 3 years, after which point learners will need to resit the course.

Progression

Progression and further learning routes include:

- 3-day First Aid at Work qualification
- Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation

Nominated Tutor Requirements

HABC require that Nominated Tutors have teaching experience and hold a qualification in the relevant subject area.

Suitable Subject Area Qualifications may include:

- A current and valid First Aid at Work certificate
- Registration with the NMC or GMC
- A registered paramedic with the HPC

Suitable Teaching Qualifications include:

- Level 3 or 4 PTLLS
- Diploma or Certificate in Education
- Bachelors or Masters Degree in Education
- City and Guilds Teachers Certificate or equivalent
- Level 3 NVQ in Training and/or Development
- Professional Trainers Certificate
- Proof of at least 30 hours of training in any subject

Nominated Tutors should also be able to demonstrate relevant experience and knowledge in a work context and provide evidence of engagement with the subject field and continuing professional development.

Key Skills

This qualification provides the opportunity for learners to develop competence in key skills and produce evidence towards attaining key skills. The qualification does not ensure key skills are met as this would depend upon learners producing a portfolio of evidence and the mode of study adopted.
